While the Editor of an Afternoon Paper was Shearing four columns of Matter from a Morning Daily to be used as "Strictly Original News" in his Own Issue, a Cockroach Climbed into the Paste-pot and Proceeded to Satisfy his Hunger. He had not Eaten above three Mouthfuls when the Editor seized him by the Neck and Flung him to the floor with such Violence as to Brook Three Legs and A Positive Cure for Every Form of Shin and Blood Discases, from Pim-ples to Scrolula. Violence as to Break Three Legs and Fracture a Rib or two.

I SPANTILE and Birth Humors, Milk Crust Sealled Head, Eczemas, and every form of Itehing, Sealy, Pimply, Servighous and Inherited Diseases of the Blood, Skin and Sealp, with loss of Hair, from Lafarcy to Age cured by the CUTICURA STESOLVENT, the new blood purifier, internally, and CUTICURA And CUTICURA SOAP, the great skin cures, externally. Absolutely pure and safe and may be used from the moment of birth. "On what Theory do you Defend Such Such Outrageous Conduct?" de-manded the poor Cockroach as he lay

Helpiess on his back.

"Why, you were Stealing my Paste."

"Exactly, but you were Stealing

Mr. and Mrs. Everett Stebbins. Beichertown, Mass. write: "Our little boy was terribly afflicted with Scrofula. Salt Rneum
and Erystpelas ever since he was born, and
nothing we could give him helped him until
we tried CUTICUEA REMEDIES, which gradually cured him, until now he is as fair as
any child." MOBAL. Two Steals don't make a Right, but you can't Blame the Cockroach for Feeling that this Conduct was Ex-

cusable under the Circumstances. THE INDIGNANT CITIZEN.

A Citizen who "had had his Atten-

tion Called" to an Item in a Newspa-per which Seemed to Reflect on his Integrity of Character, made a Bee-Line for the office to Thrash the Ed-itor. At the head of the second flight of Stairs, he Paused to Wonder if it would not be Wiser to Demand a Re-traction. At the third landing he had almost Decided that the Item Charles Eayre Hinkle, Jersey City Heights, N. J., writes: "My son, a lad of twelve years was completely cured of a terrible case of Eczema by the CUTICURA REMEDIES. From the top of his lead to the soles of his feet was one mass of scabs." Every other rerectly and physicians had been tried in vain. Contained no Insinuations. At the fourth he Decided to Send the Thrashing by Letter. At the fifth he met the Editor whom he Started Out to find and handed him the Cash for a Year's Subscription in Advance.

THE DISAPPOINTED REPORTER. A Reporter who had Walked two miles on the Rumor of a Murder discovered the Supposed Victim alive and in the Best of Spirits, and in his great Disappointment he cried out: "Alas! but I had hoped to find you with your Throat Cut, and I have had my tramp for Nothing!"
"While it is true that I am alive!"

replied the Citizen after due Reflec-tion, "it Hurts my Feelings to see you so Cast Down, and I will therefore Kill my Mother-in-law and give you the Scoop on all the Other Papers." MORAL.

Dicappointment is sometimes the Forerunner of Luck.

191 WEST TESTH STREET, NEW YORK, August 11, 1880. MESSTS. SEABURY & JOHNSON,

Gentlemen; -Like most of my profession am cautious about pinning my faith to any new medicine or curative agent. But you BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won it way to my good opinion. My attention was first called to it some eight months ago by patient of mine Although I was well ac quainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson was comparatively new to me. I had heard owever, of its merits as a remedy, in case of Lame Back, Local Rheumatism, Neural-gia. Congestion of the Bronchial Tubes and Lungs, Dyspepsia, Torpid Liver and the like affections, and have since begun to experiment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally clean y plaster to use, and rapid in its action-Many tests of its qualities, made in my ow: family and among my patients have convince od me that there is no single article so valu

able for popular use, nor so helpful in the diseases I have named. Should you desire to do so, you may use my name to that effect.

Very truly yours, H. H. KANE, A. M., M. D. The genuine have the word CAPCINE out in the center. Price 25 cents. Seabury & Johnson, Chemists, New York.
